If a candidate has exercised limited options for state for a post (where state wise vacancies are available) and has not been allocated as no vacancies are available or remaining in the opted states, he has been considered for his next post option and within the post for his state options and so on .

The allocation has been made sequentially for the following three lists –

- i. List I : Interview posts (other than Statistical Investigator) – Option A to O
- ii. List III : Statistical Investigator Grade II – Option X
- iii. List II : Non-interview posts – Option P to W
